

Elaine Mc Mahon

Preschool

Hi, I'm Elaine and I will be working with the preschool kids upstairs where we will follow the Aistear and Siolta programmes. I'm from a famous small village outside Loughrea called Bullaun and I'm from a big family of 7!

I Love to play camogie (up Sarsfields), walking and heading out with friends and spending time with my family.

I have been a preschool teacher for 7 years and in childcare for 9 years. I really enjoyed working in a Learn and Play Centre in Australia where I gained lots and lots of valuable experience.

'I have lots of experience working with children with learning difficulties and special needs.'
